Gentlemen:

Will you kindly inform me concerning the qualifications for membership in your society and as to your publications.

I am very much interested in Russian coins and have quite a considerable collection and would beg you to inform me if you have knowledge of any catalogues or monographs which have been published in English on the subject of Russian numismatics. I am acquainted with a great number of publications in Russian and in French on the subject.

Thanking you very much for your kind attention to my inquiries, believe me,

Very sincerely yours,

J. Rives Childs

Mr. J. Rives Childs,
American Relief Administration,
67 Eaton Square, S. W.
London, England.

Dear Sir:-

In answer to your letter of October 14th, I am enclosing herewith an application-for-membership card, which if you will sign and return to us, I shall be very glad to propose your name for Associate Membership in this Society. Associate Members have all the privileges of a Fellow except the right to vote; they receive our publications, notices of meetings and are given the privilege of subscribing to any of the medals gotten out by the Society.

As far as we know there is no published work in English on Russian coins. There are however few collectors of these in this country, and none who make any specialityyof them.

Very truly yours,

Curator.
